## Professional Skills

- **Programming Language:** JavaScript, Python, Java, C
  - **Web Technology:** NodeJS, ReactJS, Express, ES6, OOP, Redux, React, React Router, HTML5, CSS3, Bootstrap
  - **Mobile Technology:** Android, XML
  - **Database:** MongoDB, MySQL
  - **Dev Tools:** Git, GitHub, VS Code, Chrome Dev Tool, Heroku, Firebase, Postman
- 

## Education

- BSc in Computer Science and Engineering  
Daffodil International University  
May 2018 – Present (Final Year)
- 

## Projects

- **Grocery Palace**
    - An online grocery shop where a user can buy a product and before that user have to be logged in
    - It will be authenticated by firebase
    - All data will be loaded from database for that I used MongoDB
    - Admin can add and delete data directly from client site.

[Live Site](#) || [Client Repository](#) || [Server Repository](#)

Technology Used: MongoDB, Express, React JS, NodeJS, Firebase Auth, React Router, Bootstrap

Development Time Period: April 4 – April 8, 2021
  - **Move-n-Settle**
    - This project idea is based on house shifting service.
    - People can book a service and user will be authenticated by firebase auth.
    - Admin can add, remove services and home page data will be changed accordingly.
    - User can add review and it will also show in the home page review section.
    - Admin can add another admin. Based on user role the dashboard will be changed.

Technology Used: MongoDB, Express, React JS, NodeJS, Firebase Auth, React Router

Development Time Period: April 15 – April 21, 2021
  - **Your Ride**
    - Your Ride is a simple route searching site where user can search a route
    - It will show that route using Google Map.

[Live Site](#) || [Client Repository](#)

Technology Used: React JS, NodeJS, Firebase Auth, React Router, Google Map

Development Time Period: March 15 –March 20, 2021
-

## Achievements

- **Champion**  
Beat Python Programming Contest | Organized by DIU Computer and Programming Club  
April 2019
  - **8<sup>th</sup> Placed**  
Take-off Programming Contest | Organized by DIU Computer and Programming Club  
March 2018
- 

## Extra-Curricular Activities

- Vice-President (Research and Journal Wing)  
DIU Computer and Programming Club  
January 2021 – Present
- 

## Language

- Bangla (Reading, Writing, Speaking, Listening)
- English (Reading, Writing, Speaking, Listening)
